During the 2009/10 season club members performed with distinction at all levels. In the international arena, Paige Hourigan has just returned from representing New Zealand in a world's 14s Teams tournament held in Anqing City in China, and Kyle Butters and Paige also represented New Zealand in the Australian age group tournament held in Melbourne last December.

In the 2008/09 season only two club members, Paige and Kyle, were selected to compete in National events. However, this season this number increased to six when Tim McKenzie, Paris Butters, Dana Hiri and Taylor Quirk joined Paige and Kyle in competing in National tournaments. National success was also achieved by Senior club members when Karen Cranston, Sue Haden, Sandra Glennie and Pam Dyhrberg won their event at the 2010 National Seniors Teams competition held in Tauranga.

At the Regional level, the club entered five Senior and four Junior teams in the Manawatu Interclub League, where one Senior one Junior team were victorious in their divisions. Wanganui's team in the Manawatu Premier Division won the first round, and were only just defeated in the final.
