FINALLY

Competing with Zara for the 'most fashionable' award last week was Neil MacIntosh, who was sporting the most amazing legware ever seen on court. Now Neil is not a chap with the most muscular of pins to start with, but when they are tightly encased in rainbow-coloured leggings, the effect is enough to scare away small children. Suggestions that the offending attire should be farmed out to the circus went unheeded, and so henceforth, Neil will be known as The Riddler!!

As Neil is soon off to his winter haven in Australia, he would be well advised to leave his harlequin tights at home, as the average Aussie does not understand the chromatic vagaries of thermal underwear.

Lastly, compliments of Maree:

Two friends are fishing near a bridge.
Suddenly a Hearse and two Funeral Cars go over the bridge so one of the men stands up, takes off his cap and bows his head.
When the cars have gone he puts his cap back on, sits back down and carries on fishing.
His mate turns to him and says,
" Dave, that's one of the nicest, most respectful things I've ever seen"
Dave replies,
" Well we were married for nearly 20 years "

My girlfriend thinks that I'm a stalker.
Well, she's not exactly my girlfriend yet.

Enjoy your tennis.
